# Southwood and Fargo Country Club Neighborhood Meeting

February 5, 2009

The City of Fargo has progressively been working towards establishing a flood protection plan that will provide permanent flood security for existing properties from a 100 year flood event. In order to better prepare and move forward with a plan that is acceptable to the community the following questionnaire has been devised. Please answer any questions and provide any additional commnents that you have. You may return the form to the address, or fax number below.

## Should the City of Fargo pursue a plan to provide 100 year protection to the Southwood Neighborhood?

☐ Yes

☐ No
